## **CRITIQUE**

Class 1. PUPPY DOG.

Two nice puppies unsettled by the weather and the noise. Close decision.

1st. 13. O'BOYLE. RUFFAGGA I'M THE MAN.

8 months. Nice head and expression, well set ears and very dark melting eyes. Arched neck

leading into correct shoulder placement. Outline ok when relaxed, well set

tail. Movement

was sound when settled. A nice puppy who needs to mature and relax into showing with his handler. I noticed he was sired by the BIS winner, he has passed on his many good points.

RBPIIS.

2nd. 9. MALLINSON. HOLTAIRE RASMUS.

12 months on the day. Happy birthday.

A good looking puppy, very unsettled tending to pace when moving. Nice head and

expression, correct bite, dark eyes, ears flying away due to the very windy conditions.

Handler and dog just need to persevere and practice – please don't give up he's worth the effort.

I look forward to seeing how these 2 puppies progress in the future.

Class 2. BEGINNER'S DOG. No entries.

Class 3. TYRO DOG.

1st. 2. DEVANCHE. RATTUSTRAP SMARTY PANTS.

3 years 11months. Very masculine obviously a dog, well up for size. Good muscle and

correct angulation fore and aft. Masculine head with slightly light eye, the ears were affected

by the wind. Moved well when settled. RBD.

CLASS 4. POST GRADUATE DOG.

1st. DEVANCHE. RATTUSTRAP SMARTY PANTS.

Class 5. OPEN DOG.

1st . 14. PLANT. PLANTOCRACY BOLD BRUCE.

Striking compact dog with masculine head, correct planes, darkest of eyes, well set ears

kept correct despite the weather. Had that "take me home" expression.

Super arched neck

leading into correct shoulder placement, deep chest well down to elbows well in to make

required narrow font. Good topline with slight rise over loin. Correct angulation to rear.

Moved soundly in all directions in tune with his handler. Tended to carry his happy tail on the high side on the move. The one the judge wanted to steal and take home. One that should go far I hope. Pleased he went BIS with the agreement of my fellow judge.

Class 6. VETERAN DOG.

1st. 10. O'BOYLE. PAUCELIN FURET AT RUFFAGGA. 10years young and running on all cylinders taking a fancy to my fellow judge when on the table, a character indeed. A little bit dithery in the cold wind. Nice head and expression ears bothered by the weather. Good angulation and outline, well set tail. Moved well when settled. BVD. RBVIS. Valerie Saville (Kenna) Judge

## CRITIQUE

I would like to thank the BMTC for giving me the opportunity to judge my very first show at this year's fun weekend.

To ease me into my first appointment you partnered me with someone with knowledge and experience the lovely Val Saville(Kenna).

My first class really tested me 4 beautiful puppies in the line up. I have to say that I loved every minute.

Thank you to everyone who entered the show.

Good length and arch of neck in profile. Lovely muscle definition on shoulders with well marked straight front legs set underneath. The only thing that gives her age away is her tan, silvering now. Good angulation which produced a flowing movement

Reserve best bitch

Best Veteran in Show

2nd Fitch Mrs F. Westwytch Iron Lady: Another feminine bitch with nice head and ear set more compact all round than 1st but with everything in proportion nothing exaggerated, good markings
